

The FSTC invites you to a workshop focusing on Empowering The Next Generation of Black Businesses

The FSTC invites young entrepreneurs, small business owners, and professionals seeking to establish their own businesses to join our upcoming workshop on **03 October 2024**, focused on **Empowering the Next Generation of Black Businesses**. This event seeks to bridge the gap between these individuals and essential financial and non-financial resources, fostering economic empowerment, improving financial literacy, and ultimately promote equitable economic growth.

Register now using the link below and be a part of an opportunity to connect, learn, and drive transformation within the financial sector

The workshop will be held in Gauteng, additional information regarding the location and time will be released at a later stage.
